196	9X11	Providence (II)	3/10/2002	Scully is anxious to recover William from his kidnappers and takes matters into her own hands when the FBI's attempts to assist in the investigation are less than helpful. With the help of the Lone Gunmen Scully discovers terrifying information about her child's captors and is once again forced to confront the mystery regarding the sinister interest in her son.
197	9X13	Audrey Pauley	3/17/2002	Doggett and Scully look for answers that will save Reyes' life after she is injured in a horrible car accident. Yet Reyes is also fighting to stay alive in the netherworld between life and death. But before long Reyes realises that she may have little time left when others in the netherworld start to disappear.
198	9X09	Underneath	3/31/2002	Scully Doggett and Reyes investigate an old case that Doggett worked on as a cop in Brooklyn dubbed "The Screwdriver Killer". They try to determine whether the man who was convicted and has just been released from prison was actually the man responsible for the murders.
199	9X14	Improbable	4/7/2002	When Reyes uses numerology to connect the murders of several women to an obsessed serial killer she and Scully become trapped with a mysterious checker-playing man who may or may not be the killer. The question then becomes who is going to be the next victim.
200	9X12	Scary Monsters	4/14/2002	Monsters hiding under a little boy's bed may be more than just the product of a vivid imagination when agents Harrison Doggett and Reyes investigate. They find out that there is more to the story of the mysterious death of the child's mother who apparently stabbed herself repeatedly. Meanwhile Scully conducts an autopsy on a dead cat.
201	9X15	Jump the Shark	4/21/2002	When Morris Fletcher approaches agents Doggett and Reyes with information related to "Super Soldiers" they turn to the Lone Gunmen. The Gunmen however are knee-deep in a bio-terrorist's plot to release a deadly toxin into the population but the Gunmen find that they may have to make the ultimate sacrifice for their cause.
202	9X17	William	4/28/2002	Doggett catches someone in the X-files office trying to steal documents pertaining to Mulder's sister. The intruder is a severely scarred man who blames his disfigurement on Government conspirators. He claims the source of that information - and in fact the one who helped him gain entry - is Mulder. Although he refuses to divulge the missing agent's whereabouts the mystery man has enough knowledge of the X-files and its history to lead Doggett to suspect that he just might be Mulder himself. Scully's fears for the safety of her son are elevated when he is injected with an unknown substance. With the mystery surrounding William becoming even more darker Scully must allow herself to send him away for his own safety.
