BLACK HIGHLANDER SWORD

Duncan's Katana

When sensei Hideo Koto gave his treasured Dragon's Head katana to Duncan MacLeod, he gave him more than just a sword. He passed on to him the ancient traditions, lethal skills and noble values of the Samurai warrior.

Individually hand-crafted by master artisans using centuries-old techniques, this sword is inspired by the Katana of Duncan MacLeod. Its formidable 29" hand-polished stainless steel blade is crowned by a finely carved 13" faux-ivory handle adorned with a regal dragon's head. Feel the fighting power of the samurai with these commemorative dragon swords. Highest quality tempered stainless steel and simulated ivory , plus 24k gold plated pattern design. Black scabbard.

Total Length: 43 inches
