Sheffield Sykes Fairbairn Commando Knife

The original British Ministry of Defence, standard issue commando knife made in **Sheffield, England**. Near legendary status has made this fine knife a collector's item with enthusiasts of history and fine blades. High carbon parkerized steel narrows to a stiletto-style point. Extremely tough and versatile, there isn't much this one can't do. Military spec black, zinc metal handle. Comes with leather sheath. 11½" overall, 6¼" blade. 8 oz.
